

# NEW YEAR, NEW ACTIVITIES! DISCUSSION QUESTIONS

**Thank you so much for joining us!**  
**Please use the questions below as a tool for guided discussion and activity creation!**

## **Reset!**

1. What was your program's biggest "win" first semester?
2. What teambuilding ideas from the session would you like to use to reset with your fellow leaders?
3. Your leadership advisors have worked tirelessly to help your students first semester. How can we include them in our program's "reset" for 2024?

## **Re-Engage!**

1. What are the biggest needs your students have this winter? How can we help meet them through activities?
2. What small and simple activities can your program use to *give* to students this semester?
3. Are there any groups of students who we *missed* with our activities first semester? How can we include them?

## **Reimagine!**

1. What are the top 3 ideas you took from this session? How can you use those ideas to immediately help students this semester?
2. What 2 clubs or organizations on campus can we collaborate with this semester?
3. Finally, what is one large goal you and your fellow leaders have this semester? How can we work with the two clubs mentioned above to help make it happen?
