# **Meeting The Moment**

**This current season is bringing plenty of changes, cancellations, and confusion. During these speed rounds, your goal is to share activities that can use now.**

# **Meeting The Moment**

**Each round will be 3 minutes long. Be sure to write down phenomenal ideas to bring to your school!**

# **Meeting The Moment**

**Based on your experience from virtual learning last school year, list as many activities as possible that would be both safe and encouraging for students now.**

# **Meeting The Moment**

**This wave has brought stress on staff, students, and entire communities.**

**List as many simple ideas as possible that leave students feeling loved and safe.**

# **Meeting The Moment**

**Individuals in our communities could really use a helping hand. With the help of your group members, brainstorm service-oriented activities for healthcare workers in your region.**
