

Engagement Through Service

Discussion Questions

Serving Our School

1. What do your students need most from you this winter? How can you help meet that need through our activities?
2. In addition to serving students, staff members are in great need of a boost this winter. How can your leadership group best help and assist them?
3. Of all of the school-centered ideas shared during this session, which activity do you most want to explore?

Helping Our Community

1. What local organizations are you most passionate about serving? How can we help them this season?
2. Giving back is an essential part of successful leadership. What local groups have helped your school this fall, and how can your program give back?
3. What campus clubs or organizations can you partner with to serve your community? What projects would you like to start with their help?

Improving Our World

1. What is one “legacy project” you and your classmates would like to begin?
2. Successful service is all about responding to the needs of our world. What needs do you want to respond to in our current environment?
3. If you and your fellow leaders could serve one major cause in the world, what would it be? What steps could we begin taking to make that goal a reality?
