Follow-Up Questions

Recruitment

1. Who can we do a better job of including and collaborating with this upcoming school year?
2. What new officer positions would you like to see created next year? What function could they serve?
3. Are there new committees you would like to establish for the 2021-2022 school year? If so, what are they and how would they function?

Teambuilding

2. What types of events or activities would you like to create for your leaders to participate in this summer?
3. What would a mentorship program look like in your leadership program? If we were to move forward with forming one, what activities or moments could we create to help mentor our leaders before next fall?

Partnerships & Collaboration

1. What groups or organizations would you like to partner with next school year?
2. What clubs on campus could use our help in preparation for next fall? What can we do to better serve them?
3. What clubs or organizations will we need assistance from this upcoming academic year? When should we begin reaching out to them for help?
